PAINTING & DRAWING II

GRADING POLICIES

- You will have until the due date of a project to complete it. If you need more time, you must ask me for an **extension** (1 week maximum). It is possible to not have the extension granted if I believe class time was not used wisely by the student.
- **Late work** will still be accepted after the granted 1 week extension, but 5 points will be taken off for every week late.
- **Missing projects** / assignments will go into Powerschool as a zero until turned in, and only then will the grade be changed.
- There will be a **weekly grade for cleaning** up after yourself and keeping the art room neat for everybody. This is part of your participation grade.
- Having a **positive attitude** toward the class and putting in effort to try new things also counts toward your final grade.
- The **final class grade** is determined by adding the Q1, Q2 and final exam grades together. Quarter 1 and Quarter 2 grades are both 40% of the final class grade, and the final exam is 20%.

1. Verbal warning
2. Move seat / student conference (Powerschool documentation)
3. Email/call home (Powerschool documentation)
